COMMUNICATION-SUBMISSION OF DECLARATION

Dear Sir:

Reference is made to the Request under 37 C.F.R. 1.47(b) for filing of the above-identified application. The Request was mailed to the U.S. Patent and Trademark Office on September 8, 1998. The Request was made because the application lists a total of twelve inventors and for three (3) of them [Messrs. Vroon, Keizer, and Burggraaf], the Applicant's attorney had not received a signed Declaration.

The Applicant's attorney has now received a signed Declaration from these three (3) inventors and has enclosed the signed Declaration.

Since a Declaration signed by all inventors has now been filed at the U.S. Patent and Trademark Office, it is submitted that the application is ready for examination on the merits.

Respectfully submitted,

By: Edward F. Sherer
